O nama / About us

Kompanija Hit Design osnovana je u Tešnju 2017. godine. Od svog osnivanja u kompaniji su razvijana dva pravca poslovanja: proizvodnja tapaciranog namještaja, proizvodnja madraca i nadmadraca premium brenda "Oblak", a 2022. godine kompanija osniva sektor "Hit enterijeri" koji se bavi opremanjem poslovnih i privatnih enterijera po principu "ključ u ruke" zahvaljujući proširenju proizvodnog assortimenta linijom pločastog namještaja. Konstantnim ulaganjem i praćenjem trendova u tehnologiji kao i razvojem i edukacijom stručnog kadra kompanija Hit Design se pozicionirala na bosanskohercegovačkom tržištu kao kvalitetan i pouzdan proizvođač namještaja po mjeri.

The company Hit Design was founded in Tešanj in 2017. Since its establishment, the company has developed two lines of business: the production of upholstered furniture, the production of mattresses and mattress toppers of the premium brand "Oblak", and in 2022 the company established the "Hit interiors" sector, which is engaged in equipping business and private interiors on a "turnkey" basis " expanding its products assortment with a line of panel furniture.. Through constant investment and monitoring of trends in technology as well as development and training of professional staff, the company Hit Design has positioned itself on the Bosnian market as a high-quality and reliable manufacturer of custom-made furniture.

Misija / Mission

“Postati kompanija koja inspiriše i ispunjava vašu radoznalost.”

“To be a company that inspires and fulfills your curiosity.”

Vizija / Vision

“Stvoriti bolji svakodnevni život za mnoge ljude..”

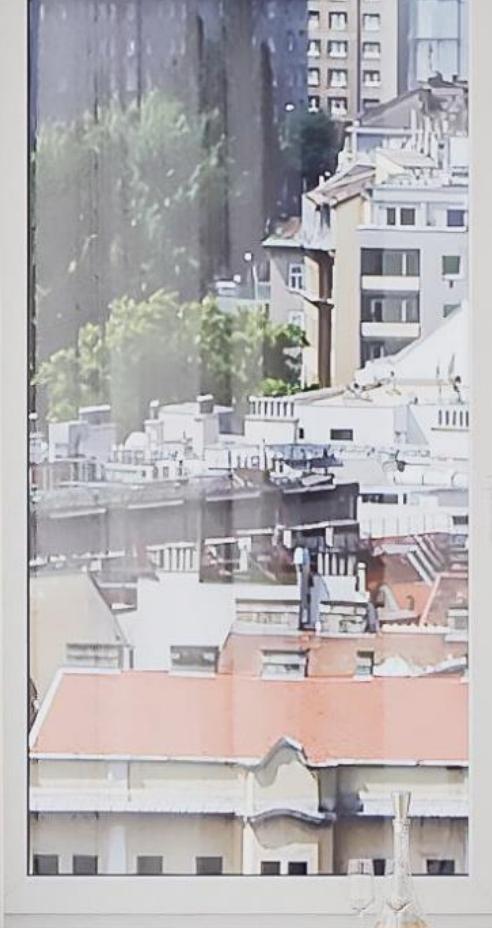

“Create a better daily life for many people..”

Tapacirani namještaj / Upholstered furniture

U okviru Hit Design fabrike namještaja funkcioniše poseban odjel za tapacirani namještaj u kojem radi visokokvalifikovano osoblje, tapetari i krojači, koji mogu realizirati svaku ideju, bez obzira da li je inicirana od strane investitora ili arhitekata i dizajnera enterijera. Tapacirani namještaj napravljen je od materijala poznatih evropskih proizvođača, koža, štofova i ekskluzivnih štofova. Da bi osjećaj udobnosti bio na visokom nivou koriste se najkvalitetnije visoko-elastične spužve.

Within the Hit Design company exists upholstered furniture department with highly qualified staff, upholsterers and tailors, able to realize any idea, whether it was initiated by investors or architects and interior designers. Upholstered furniture is made of materials from well known European manufacturers, leather, fabrics and exclusive fabrics. In order to achieve high level comfort, the top quality highly elastic sponges are being used.

Pločasti namještaj / Panel furniture

Hit Design fabrika namještaja u mogućnosti je da obradi sve vrste drveta i drvenih panela, uključujući furnir, iveral, MDF - medijapan i masivno puno drvo. Proizvodni pogoni kompanije su opremljeni najsavremenijim mašinama za obradu pločastog namještaja što nam omogućava da odgovorimo i na naj sofisticiranije zahtjeve.

Hit Design furniture factory is able to process all types of wood and wood panels, including veneer, chipboard, MDF and solid wood. The company's production facilities are equipped with the most modern machines for processing panel furniture, which allows us to respond to even the most sophisticated requests.

Kao proizvođač madraca uvjereni smo da naš osnovni proizvod treba biti egal kvalitete. Tim stručnjaka koji stoji iza brenda "Oblak" posvećen je kreiranju novih proizvoda koji poboljšavaju zdravlje i udobnost spavanja, jer zaslužujete san kao na oblaku. Koristeći najkvalitetnije repromaterijale kao što su spužve svjetskih brendova, visokokvalitetne navlake izrađene od vrhunskih materijala, strukture jezgra koje daju bolju čvrstoću, najkvalitetniji filc i bočna ojačanja proširila su poslovanje na regionalna i na tržišta SAD-a i EU zemalja.

As a mattress manufacturer, we believe that our basic product should be of equal quality. The team of experts behind the "Oblak" brand is dedicated to creating new products that improve the health and comfort of sleep, as you deserve to sleep on a cloud. Using the highest quality raw materials such as sponges from world brands, high-quality covers made of top-quality materials, core structures that provide better strength, the highest quality felt and side reinforcements have expanded the brand's business to the regional market, as well as USA and EU countries.

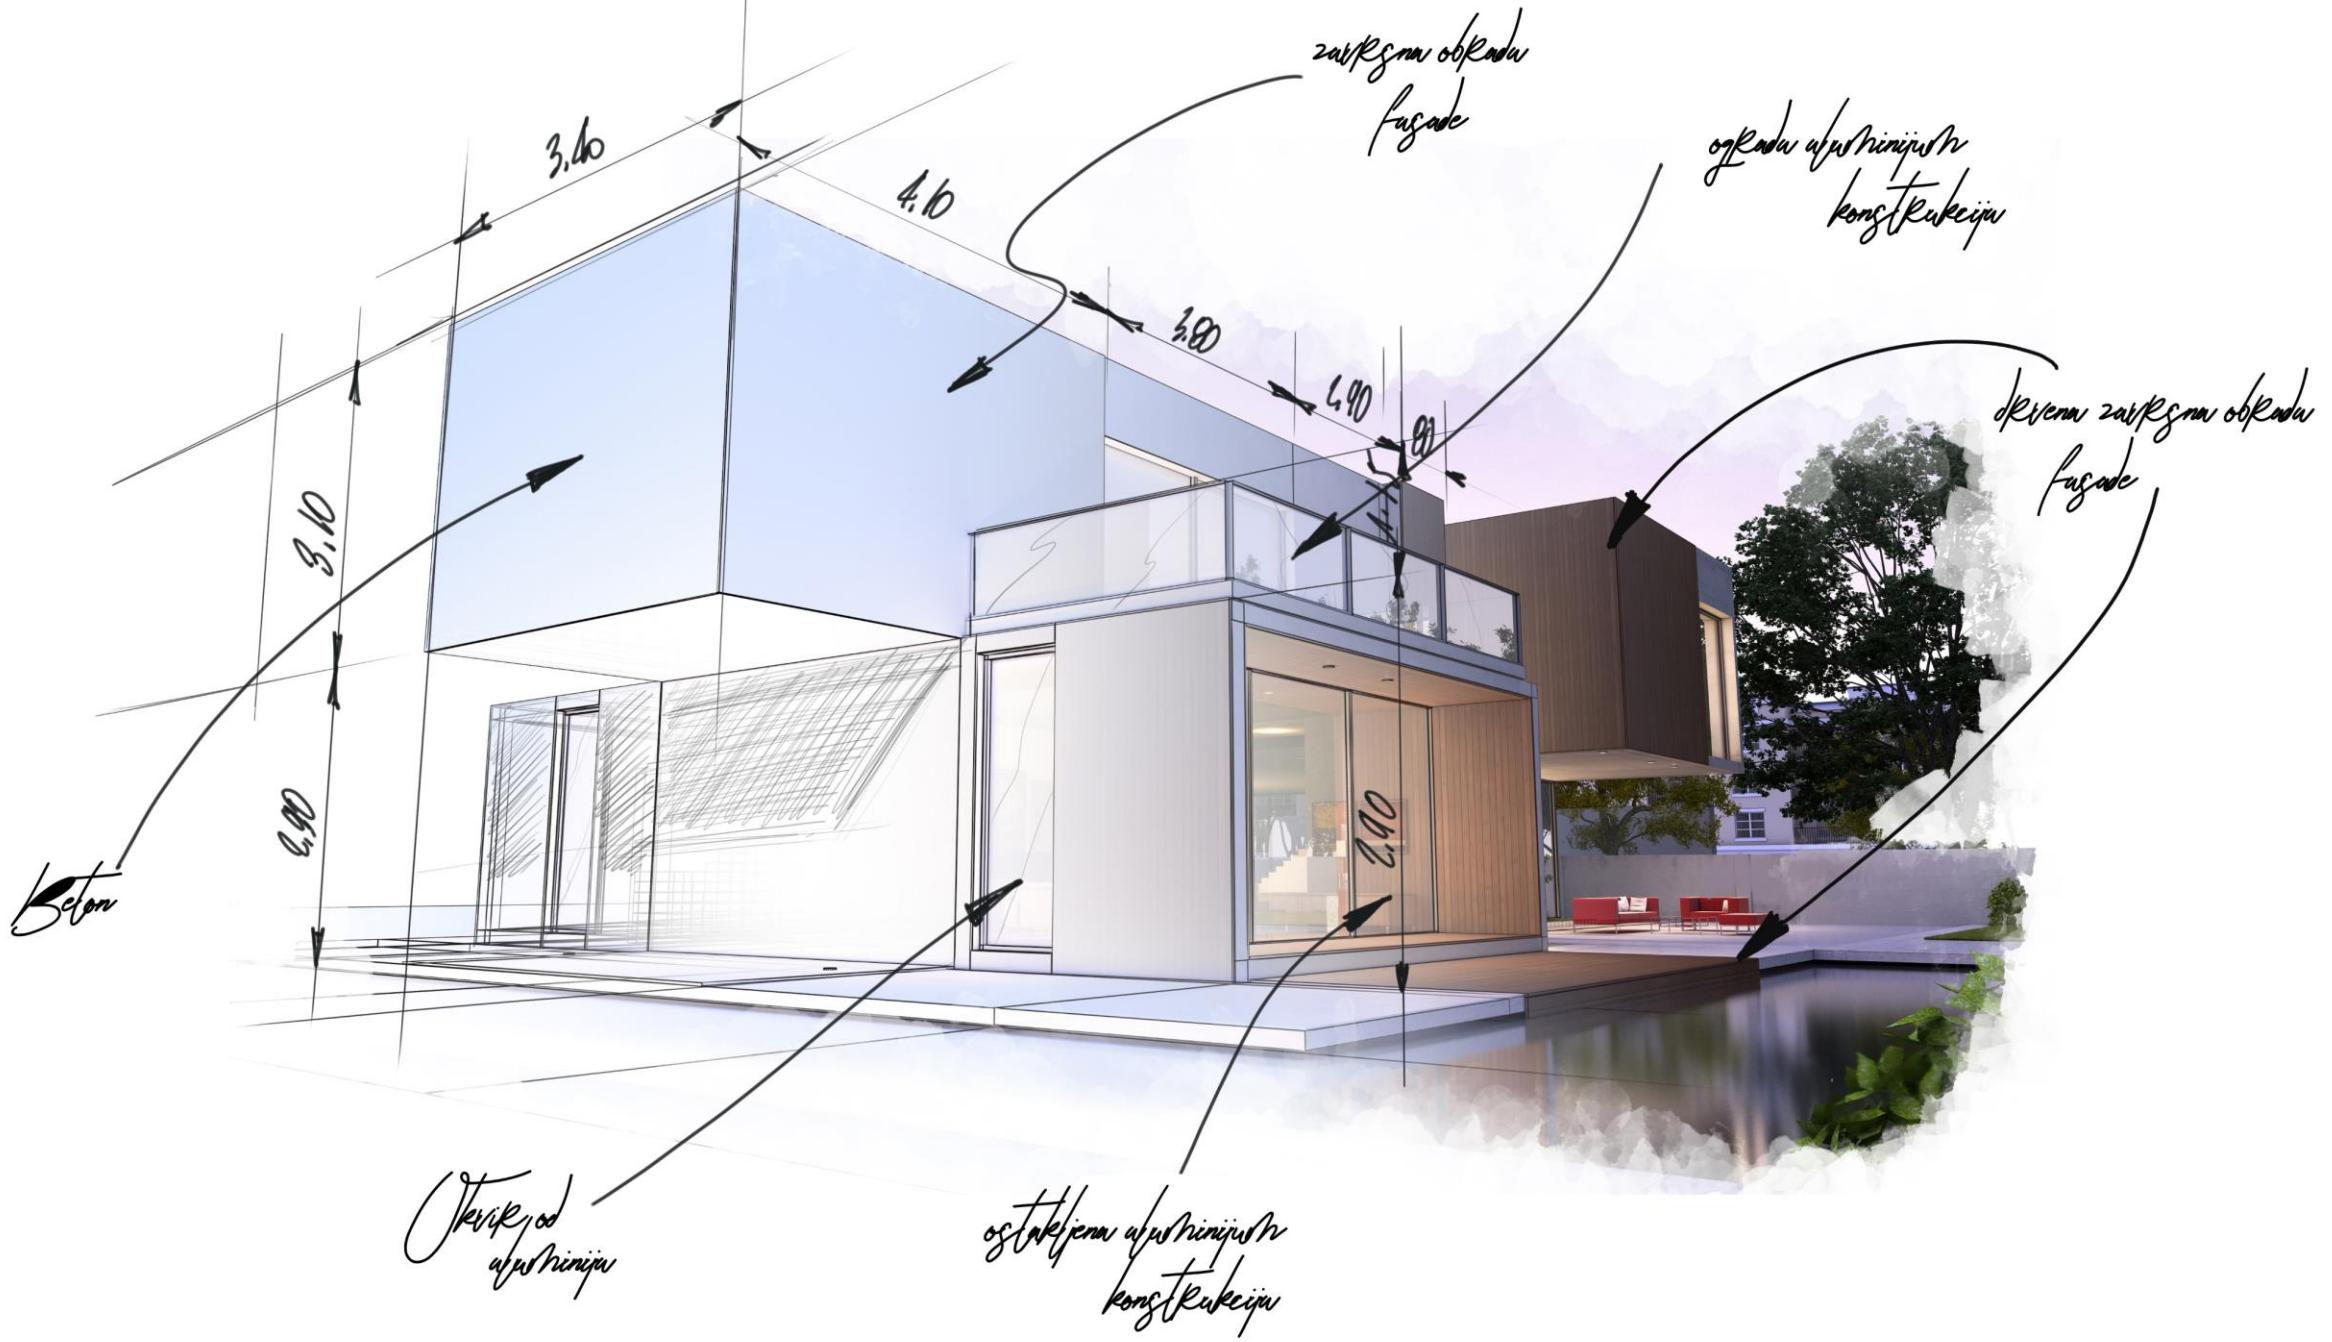

Hit enterijeri®

Hit enterijeri dizajn studio čiji tim sačinjavaju arhitekti, dizajneri enterijera i projekt menadžeri stoji vam na raspolaganju za pripremu originalnih idejnih rješenja, a cjelokupan assortiman možemo izraditi prema vašim zahtjevima i željama. Arhitekti i dizajneri enterijera za vas mogu pripremiti 3D vizualizaciju kako biste na najbolji način „osjetili“ vlastiti prostor prije početka radova, a obuhvatit će raspored namještaja unutar enterijera, modele, stil, boje, osvjetljenje, kao i sve druge detalje.

Hit enterijeri design studio, whose team consists of architects, interior designers and project managers, is at your disposal for the preparation of original conceptual solutions, and we can create the entire range according to your requirements and wishes. Architects and interior designers can prepare a 3D rendering so you can "feel" your own space in the best way before developing the project, and it will include the arrangement of furniture in the interior, models, style, colors, lighting, as well as all other details.

Hvala / Thank you

Hit Design team
